Director of School Improvement Visit

On Monday we received a visit from Lisa Farmer from the Trust as part of the moderation of all schools in JTMAT. She visited all lessons, spoke to children, looked at books and interviewed staff.

We are very proud to share that it was a highly positive visit with lots to celebrate ranging from the behaviour and attitudes of the children in lessons and during outdoor play to the quality of work in books.

Congratulations to all staff and children for their hard work and dedication to being their best every day!

Attendance

There has been an increase across the whole of JTMAT of medical appointments being made during school time. We understand that it is difficult, but if you could arrange appointments either before or after school this would be appreciated and reduces lost learning time.

If an appointment is made for mid morning, please ensure the children come into school for their morning mark and are collected nearer their appointment time, also if they can be brought back in time for their afternoon mark as it affects their overall attendance and ensures they are in school to be fully involved in their lessons.

Social Media

We have now just launched an Instagram page for Mosley! Please bear with us whilst we build this over the next few weeks— and of course begin to follow us! We will continue to use our Twitter/X page too.

Year 5 Parent Consultations

As Mr Hussein will be finishing at February half term, we would like to offer an early parents consultation meeting to the Year 5 parents **ONLY**. This will be on **Thursday 6th February**. The 10 minute appointment times will run all day beginning at 8.30am until 5.30pm, if you are unable to come into school at these times we can arrange a consultation over the phone. You can either email or pop into the office to make your appointment, these will be available from Monday 20th at 9am. These will be on a first

come first served basis.

Outdoor Play and Learning

Children love using the school field at all times of the year - even when it is muddy! If you could send your child in with waterproof trousers or a puddle suit then please send them in a plastic bag with your child's name on.

We are also on the look out for loose parts for the children to build with so please let us know if you have anything that can be donated to help with this. Children also like building dens out of cardboard boxes, plastic boxes and crates so anything suitable for den building please do send in!

All items donated are checked by our OPAL play team and leads before being used on the field. We also have our OPAL play rangers and OPAL monitors as pupil leadership responsibilities who help everyone to play and work together.

Our Amazon OPAL wish list is still live, so please keep on supporting this.

Year 2 Parent Lunch

On Friday 24th January Year 2 parents are invited to join their child for lunch at 11:45am. The menu will be fish and chips with a vegetarian option, priced at £3.28 per adult.

Bookings will be available on MCAS early next week.

February Half Term Camp

Please see the attached flyer for our February Half Term Camp from Monday 17th - Friday 21st February.

Book direct , visit www.superstarsport.co.uk

SCHOOL DISCO—CHANGE OF DATE

Please note the change of date for the next school disco. It will now be on Thursday 13th February. Timings will be as follows:

3:30pm-4:40pm Reception and KS1

4:45pm-6:00pm KS2

Any help on the night will be welcome. Please let the school office/PTFA know. More details to follow.

The theme is friendship, kindness and love.

Quit for a smokefree household

Let us help you **create a smokefree household** to protect your loved ones!

What we can offer you:

- Free nicotine replacement therapy (NRT) and vapes to support your journey
- Weekly non judgemental group sessions or one to one appointments for 12 weeks
- Support with how to manage cravings and withdrawal symptoms

Who can we support?

- If you live in Staffordshire*
 - If you smoke tobacco products
 - If you are pregnant, or have had a pregnancy within the last 6 months
 - If you live with someone who is pregnant, or has had a pregnancy within the last 6 months
 - If you live with a child aged 0-3 years old

What do I do now?

How can smoking harm you and your family?

Smoking can cause serious harmful effects to the whole household.

Tobacco smoke can contain over 4000 harmful chemicals, which are inhaled through the cigarette. Secondhand smoke exposure can just be as harmful to others around you, especially children.

Short term second hand smoke exposure

- Eye irritation
- Headaches
- Coughs
- Sore Throat
- Dizziness
- Nausea
- Decline in lung function in asthmatics

Long term second hand smoke exposure

| | |
|---|-----------------------------------|
| Lung Cancer | Increase by 20-30% in non smokers |
| Coronary Heart Disease | Increase 25-35% in non smokers |
| Sudden Infant Death Syndrome (SIDS) | 45% more likely |
| Stroke | Increased risk by 20-30% |
| Asthma/Respiratory illness in children | Increased risk by 30% |
| Meningitis (Invasive meningococcal disease) | Risk is doubled |

- **Children** are 4 times as likely to take up smoking if they live in a smoking household
- **Pets** - Secondhand smoke can affect pets and can cause breathing problems, or make your pet's existing breathing problems worse. Due to the toxic gases, this will increase certain types of cancers, such as lung, nose, mouth cancers and lymphoma.
