### Chocolate Bingo

Tickets sales are looking good so far, still some tickets available. Please send money in an envelope with your name and ticket information request, and put them in the Red PTFA box near the school office.

It was a great family night last year so we are looking forward to another evening of family fun. Our two resident bingo callers are Mrs Ingham and Miss Fryer!

Thank you for all your support with this fundraising event and a big thank you for all the donations of chocolate today in exchange for a non uniform day!

### Welcome Back Miss Luce

It is wonderful to have Miss Luce back in school. Miss Luce is working a Wednesday till Friday in Year 5 next week and then after Easter will be working on Monday to Wednesday, with Mr Parkinson working on Thursday and Friday.

Great to see you back in the classroom Miss Luce!

### Easter Bonnet Parade

On Friday 11th April, the last day of term, we will be having our Easter Bonnet Parade at 9am on the playground.

Reception and KS1 to design and wear an Easter Bonnet.

KS2 to design an Egg Scene, any theme, use your imagination!

It gets harder to judge every year!!

### Year 5 Parent Lunch

Thank you to all the Year 5 parents who attended the lunch today, hope you all enjoyed it, the children loved having you here!

Particular thanks to Zoe and Rachel for their hard work and efforts in making all the parent lunches and Mothers Day lunches happen!

### Lost Property

**PLEASE** take some of the lost property home - we have piles of it with no name on!

Any that is remaining at the end of this term will go in the Star Bank charity box.

## **Easter Holiday Club**

Please support our Easter Holiday Camp at Mosley from Monday 14th April –Thursday 17th April, **book on at [activelearningsports.com](http://activelearningsports.com)**

## **Chair of Governors Visit**

On Thursday we welcomed Mr Jim Gardner to school for the afternoon. Mr Gardner visited classes, discussed safeguarding with the senior team and met with a few children to discuss all the great things about our school - he of course met our new school chickens too and observed a group of children enjoying reading to our chickens!

## **Goodbye Miss Parish**

Congratulations to Miss Parish on a successful final teaching practice in Year 3. Miss Parish has been a student from York St Johns University.

Under Miss Hardwick's support and guidance, we have seen you flourish and grow into a great teacher! Best of luck Miss Parish for the future - and please come back and visit us soon! We will really miss you!

## **Phunky Foods Lunch Box Audit**

Well done to our Year 5 Phunky Foods Ambassadors for conducting their health food audit! We hope that this has encouraged discussions at home about what goes in to lunchboxes. Helen, the Phunky Foods Lead, will be visiting on Tuesday for another meeting to review their work this week.

## **Sandwiches**

All rubbish from your child's sandwich box will now be sent home within your child's lunch box. This will include any left over food or snacks that have not been eaten. Thank you.

## **Congratulations to Claudia & Emilia**

Both children were winners in the JTMAT art subject excellence competition and enjoyed a morning at an arts workshop at Chase Terrace Academy this week! Well done children. You are now in our art gallery wall of fame in the main entrance!

## **May Day**

The Maypole is up!

May day celebrations are at 9 am on Friday 2nd ( weather permitting!) on the school playground all welcome. We will be selling refreshments during the morning so any donations of cakes and biscuits are appreciated thank you.

Next week the Year 6 children will be voting for this years May Queen and May King!

**InclusiveKidsClubs**  
Explore, learn, grow

We are so excited to be bringing the following clubs to the children of Mosley!

All prices and dates are on our booking system

**Amazing Architects**  
**Superstar Scientists**  
**Stop Motion Masters**  
**Gifted Gardeners**

InclusiveKidsClubs

@InclusiveKidsClubs

[www.inclusivekidsclubs.co.uk](http://www.inclusivekidsclubs.co.uk)

## Amazing Architects

Amazing Architects is a fun, hands-on club where kids unleash their creativity through design, building, and testing unique structures. Using a variety of materials, they explore different building styles, from modern skyscrapers to ancient castles, and learn how to make their designs stable and functional. The process of trial and error teaches resilience, problem-solving, and collaboration, while inspiring confidence as they see their ideas come to life. It's all about fostering creativity, exploring new perspectives, and building a growth mindset—all while having a blast creating their own architectural masterpieces!

## Superstar Scientists

Welcome to Superstar Scientists, where curiosity meets excitement and magic happens through science! In this fun-filled club, kids dive into the wonders of the world around them, discovering how everyday things work in exciting and surprising ways. Through hands-on experiments, they'll get to mix, create, and uncover amazing scientific concepts that feel like pure magic. Whether they're making slime, building balloon-powered cars, or creating lava lamps, every activity sparks a sense of wonder and helps kids understand the world better. It's a place for inquisitive minds to come together, ask big questions, and have a blast discovering answers. Get ready for a journey full of excitement, learning, and fun as we unlock the secrets of the world, one experiment at a time!

## Gifted Gardeners

Welcome to Gifted Gardeners, where kids get their hands dirty and discover the joys of gardening! In this eco-friendly club, children dive into the wonderful world of nature by planting colorful flowers, creating wildflower balls, making bird feeders, and painting plant pots to give their gardens a personal touch. They'll learn all about different flowers, how they grow, and the important role that wildlife plays in keeping our ecosystems healthy. As they plant, observe, and care for their gardens, they also help transform the school grounds into a beautiful, vibrant space for everyone to enjoy. It's a fun, hands-on way to connect with nature, be creative, and help the environment—all while having a blast!

## Stop Motion Masters

Welcome to Stop Motion Masters, where creativity meets animation magic! In this exciting club, kids learn the art of stop motion animation, where they get to bring their ideas to life, frame by frame. They'll explore how frames work, edit photos into smooth videos, and add fun sound effects to make their creations pop. Using all sorts of materials—from Play-Doh figures to everyday objects—children will discover how to tell stories through movement and visuals. Along the way, they'll work together to improve their team-building skills, collaborating on projects and sharing ideas to create something truly special. It's a fun, hands-on way to dive into the world of animation and develop new skills, all while enjoying the creative process with friends!

# What Parents & Educators Need to Know about WHATSAPP

AGE RESTRICTION  
13+

## WHAT ARE THE RISKS?

With more than two billion active users, WhatsApp is the world's most popular messaging service. Its end-to-end encryption only allows messages to be viewed by the sender and any recipients: not even WhatsApp itself can read them. The UK's Online Safety Bill proposes to end such encryption on private messaging, but for the time being, this controversial feature remains.

### EVOLVING SCAMS

WhatsApp's popularity makes it a lucrative hunting ground for scammers. Recent examples include posing as the target's child, requesting a money transfer because of a spurious 'emergency' – plus a scam where fraudsters trigger a verification message by attempting to log in to your account, then (posing as WhatsApp) call or text to ask you to repeat the code back to them, giving them access.

### CONTACT FROM STRANGERS

To start a chat, someone only needs the mobile number of the WhatsApp user they want to message. Therefore, if a child has ever given their number out to someone they don't know, that person could then contact them via WhatsApp. It's also possible that the child might be added to a group chat or community (by one of their friends, for example) containing other people they don't know.

### FAKE NEWS

WhatsApp's connectivity and ease of use allow news to be shared rapidly – whether it's true or not. To combat the spread of misinformation, messages forwarded more than five times on the app now display a "Forwarded many times" label and a double arrow icon. This makes users aware that the message they've just received is far from an original... and might not be entirely factual, either.

### CHAT LOCK AND SECRET CODES

In 2023, WhatsApp introduced a feature that lets users keep their chats in a separate 'locked chats' folder, saved behind their phone's passcode, fingerprint or face ID. There is an additional feature – 'Secret Code' – where users set a unique password for locked chats. Unfortunately, this creates the potential for young people to hide conversations and content they suspect their parents wouldn't approve of.

### VIEW ONCE CONTENT

The ability to send images or messages that can only be viewed once has led to some WhatsApp users sharing inappropriate material or abusive texts, knowing that the recipient can't reopen them later to use as evidence of misconduct. People used to be able to screenshot this disappearing content – but a recently added WhatsApp feature now blocks this, citing protection of privacy.

### VISIBLE LOCATION

WhatsApp's Live Location feature lets users share their current whereabouts, which can be helpful for friends meeting up or parents checking that their child is safe while out, for example. However, anyone in a user's contacts list or in a mutual group chat can also track their location – potentially letting strangers identify a child's home address or journeys that they make regularly.

## Advice for Parents & Educators

### EMPHASISE CAUTION

Encourage children to treat unexpected messages with caution: get them to consider whether it sounds like something a friend or relative would really send them. Make sure they know never to share personal details over WhatsApp, and to be wary of clicking on any links in messages. Setting up two-step verification adds a further layer of protection to their WhatsApp account.

### ADJUST THE SETTINGS

It's wise to change a child's WhatsApp settings to specify which of their contacts can add them to group chats without needing approval. You can give permission to My Contacts or My Contacts Except... Additionally, if a child needs to use Live Location, emphasise that they should enable this function for only as long as they need – and then turn it off.

### CHAT ABOUT PRIVACY

Check in with the child about how they're using WhatsApp, making sure they know you only have their safety at heart. If you spot a Locked Chats folder, you might want to talk about the sort of content they've stored in there, who they're talking to, and why they want to keep these chats hidden. Also, if children send any View Once content, it could be helpful to ask them why.

### DISCUSS GROUP CHATS

Make children aware that there could be members of a group that they don't know well and that words can be misinterpreted. Encourage them to leave a good impression, to avoid joining in if conversations turn towards bullying, and to respond to such situations in an appropriate way. Make sure they know that it's OK to leave a group chat if it makes them uncomfortable – or for any reason, in fact.

### THINK BEFORE SHARING

Help children understand why it's important to stop and think before posting or forwarding something on WhatsApp. It's easy – and all too common – for content that a user posts to be shared more widely, even publicly on social media. Encourage children to consider how an impulsive message or forwarding might damage their reputation or upset a friend who sent something to them in confidence.

### Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

# What Parents & Educators Need to Know about MARVEL RIVALS

ESRB advise nobody under the age of 13 should play

## WHAT ARE THE RISKS?

Marvel Rivals launched in December 2024 and amassed a player count of nearly 150,000 in mere weeks. This player versus player (PvP) shooter packs in a host of recognisable comic-book characters, pitting two teams of six against each other. Despite the game's cartoonish nature, there are several potential risks for parents and educators to be aware of.

### IN-GAME CHAT

Voice chat allows players to speak to teammates and opponents within the game, but in a competitive environment, some conversations can become unpleasant. Text chat is equally prominent among those playing on PC and will be shown on the side of the screen. Moderation on chats is relatively lax, so it's important to recognise that potentially inappropriate messages could arrive at any time.

### IN-GAME PURCHASES

While Marvel Rivals is free, there is an in-game store, selling character skins from recognisable movies and comic-book titles. Each season also includes a £10 Battle Pass (much like those seen in Fortnite and Call of Duty), offering a series of exclusive cosmetic items. These passes don't expire – but they can't be purchased once the next season rolls around, creating a fear of missing out.

### CONTACT WITH STRANGERS

With such a huge player base, it's impossible to predict whom your child will be teaming up with or playing against. They're virtually certain to run into strangers through voice and text chat, for starters. Most of these people will just be ordinary gamers enjoying the action, but there is the risk of some users behaving inappropriately with younger players – either intentionally, or because they don't realise that they're speaking to a child.

### VIOLENT CONTENT

There's no gore in Marvel Rivals, and the violence depicted is comparatively cartoonish – but the playable characters available vary between more traditional superheroes and supervillains, and figures like Black Widow and The Punisher, who use more realistic firearms. Given the game's nature as a shooter, this may make some parents and carers uncomfortable as some players will be firing these weapons at each other.

### INAPPROPRIATE CONTENT

The game includes some innuendos and mature themes in the dialogue, which could expose youngsters to content unsuitable for their age, detracting from a safe and family-friendly gaming experience. As we mentioned previously, the content of the in-game chat could also be age-inappropriate, ranging from swearing to mature themes to potentially harmful content.

### FAMILIAR CHARACTERS

The inclusion of iconic characters might make Marvel Rivals appear more approachable than other games in the genre, with recognisable heroes and villains like Spider-Man and Venom. This could lead to more interest from younger players, increasing the likelihood of children playing the game without properly understanding the risks.

## Advice for Parents & Educators

### FOLLOW ESRB RATINGS

The ESRB rating for Marvel Rivals says the game shouldn't be played by anyone under 13. Most children of that age will be able to appreciate the moral compass of the roster of characters (people can play as Hela, the Goddess of Death, for example), while also ensuring that the violence, however cartoonish, won't overwhelm them.

### FAMILIARISE YOURSELF

The game's inclusion of fan-favourite characters like Iron Man and the Hulk, plus its increasing popularity, means that younger Marvel fans will likely be eager to see what the fuss is about. Since it's free, consider playing Marvel Rivals yourself to gauge how you feel about a child playing it. Alternatively, you could let them play against the game's AI in Practice Mode, until they're old enough to compete online.

### MONITOR OR TURN OFF CHAT

Voice and text chat can both be adjusted within the in-game settings. If you're particularly concerned about exposing children and young people to them, however, you can disable both forms of chat in the game's settings. If a child wants to play alongside friends, remind them that they can use their console's party chat feature or host a call on a third-party service like Discord.

### DISCONNECT PAYMENT OPTIONS

Parents should ensure that no payment options – such as debit cards – are linked to the game, to prevent unauthorised purchases and charges. Children can be tempted by enticing in-game offers without fully understanding the costs. Removing payment methods avoids impulsive in-game spending and instils a sense of financial awareness, teaching young people to be careful with their money.

### Meet Our Expert

Lloyd Coombes is Games Editor at the Daily Star and has been working in the gaming and tech industry for five years. A regular visitor to the App Store to try out new tools, he's also a parent and therefore understands the importance of online safety. Writing mainly about tech and fitness, he has been published on sites including IGN, TechRadar and plenty more.

The National College

# 10 Top Tips for Parents and Educators USING TECHNOLOGY TO BOOST READING SKILLS

The way we engage with text has changed dramatically over the years. Whether reading captions on social media, instructions in a video game or an e-book on a digital device, technology plays a major role in modern literacy. While traditional books remain invaluable, digital tools can enhance reading skills by making text more accessible, interactive and engaging.

## 1 CHOOSING THE RIGHT TYPE OF TEXT

Before integrating technology, consider the types of text that a child engages with. If they need help on occasion, digital reading pens can assist by scanning and reciting words or sentences. These tools are especially useful for students with reading difficulties, and can even be used in exams if they're part of their routine learning process. Proper training and practice are required, but they can be a great help when tackling printed text.

## 2 READING ON SCREEN

Many devices now allow users to customise text for better readability. Adjusting font type, size and background colour can significantly enhance comprehension. For many readers, white text on a black background is the easiest to see, whereas other styles – such as dyslexia-friendly fonts – are designed to help those who are struggling. Teaching children how to personalise text settings on their devices empowers them to read more comfortably and with greater confidence.

## 3 ACCESSIBILITY TOOLS

Most modern devices include built-in tools designed to support readers. These features can be found in Settings under Accessibility and may include text-to-speech, speech-to-text and screen magnification functions. Enabling these tools can make digital reading more user friendly, especially for children with learning difficulties or visual impairments, who might have an easier time with spoken language than the written word, or who might simply require a closer look at the text.

## 4 INTERACTIVE READING PROGRAMMES

Many digital reading devices, such as Kindle and other e-readers, offer features like word highlighting, adjustable text speed and built-in dictionaries. These tools help learners to break down complex words and phrases while maintaining an appropriate reading pace. Some programmes even allow users to track their progress, making reading a more structured and motivating experience.

## 5 VIDEO GAMES AND READING SKILLS

Many video games require players to read instructions, character dialogues and mission objectives, making them an unexpected but effective literacy tool. Games that involve storytelling, puzzles or problem-solving often include large amounts of text – encouraging children to read these texts aloud or discuss them can improve their comprehension and vocabulary in a fun, engaging way.

## 6 SUBTITLES AND CLOSED CAPTIONS

Watching videos with subtitles or closed captions is an effective way to enhance reading skills. As children watch their favourite shows or online videos, they can follow along with the text, gaining a better understanding of how written words sound when spoken aloud. This is particularly beneficial for reluctant readers, as it exposes them to words in a familiar, engaging context. Repeatedly watching content with subtitles reinforces word recognition and comprehension.

## 7 USING AUDIOBOOKS

Audiobooks are an excellent way to develop listening and reading skills simultaneously. Children can follow along with the text while listening to a narrator, reinforcing word recognition and fluency. For struggling readers, listening to an audiobook before attempting to read the text independently can boost their confidence and comprehension.

## 9 TEXT-TO-VOICE TECHNOLOGY

Text-to-voice software reads digital text aloud, making it easier for learners to follow along. Most smartphones, tablets and computers come with this function built in. When enabled, users can highlight a passage or sentence and press Play to hear it read aloud. This tool is particularly helpful for auditory learners and those who struggle with decoding written words.

## 8 VOICE-TO-TEXT FOR WRITING AND READING

Voice-to-text tools allow users to dictate words, which are then transcribed into text. This feature helps children see the connection between spoken and written language. By using text-to-voice to have their dictated words read back to them, learners can identify mistakes and improve their reading and writing skills simultaneously.

## 10 SOCIAL MEDIA AND PARENTAL CONTROLS

While social media provides opportunities for reading, most platforms have age restrictions of 13–16 years old, making parental guidance essential. Many social media videos include captions and comments that can encourage reading. However, it's important to use the platform's parental controls (such as time limits and content filters) to create a safe and educational online environment for children. Encouraging responsible social media use can ensure a balanced and productive approach to digital literacy.

### Meet Our Expert

Catrina Lowri is a qualified special needs teacher and experienced SENCO. She recently launched her own site, Neuroteachers, which offers a library of short, 'how-to' and explanation videos for educators. Catrina also writes and delivers online training and events for multi-academy trusts, businesses, schools and training organisations.

# Holiday Activities and Food (HAF) Easter 2025

## Overview

HAF is back for the Easter holidays!

The Holiday Activities and Food (HAF) programme enables local authorities in England to deliver inclusive, enriching activities including a hot meal over the school holidays. Eligible children can book up to four free places throughout the Easter holidays.

The Staffordshire HAF programme will run at various locations in local areas starting from **Monday 14 April until Friday 25 April 2025**. It's funded for children and young people aged 5 – 16 years who receive benefit related free school meals. For a full overview, please [watch this video](#).

## How do parents/carers book?

All parents will be sent an email from Staffordshire County Council with their child's individual **HAF code**. The schools will also be requested to share information and booking details with all eligible children.

Activities can be viewed on our website prior to bookings going live on **Monday 10 March** and will be updated accordingly throughout June.

There will be a 'Book Now' button on our HAF page on the [county council website](#) when bookings open.

Parents/carers can register an account via our booking platform on our website

Parents will need their **HAF code** to hand to book the activities of their choice

## Bookings will be open on Monday 10 March 2025

To avoid disappointment, parents/carers should book as soon as possible at: [www.staffordshire.gov.uk/holidayactivities](http://www.staffordshire.gov.uk/holidayactivities) or scan the QR code on their letter from school.

## A family and child I work with would benefit but are not eligible for FSMs

Some children can be referred via professionals to access a HAF place by requesting a professional referral form by our team. Please email: [holidayactivitiesandfoodprogramme@staffordshire.gov.uk](mailto:holidayactivitiesandfoodprogramme@staffordshire.gov.uk)

HAF codes issued on a referral basis are valid for Easter, Summer & Winter 2025.

**Can a family pay to attend HAF** Some of the holiday clubs will also have places that can be paid for.

## How can you support families to access HAF?

You will see lots of activity on the county council's social media pages and communication channels. Please share as many posts as you can with your teams/partners to spread the word as far as possible to help as many children have a fantastic time this Easter.

Here are our channels where we will be creating some posts for you to quickly share to get started:

[Facebook](#)

[Instagram](#)

[X \(formerly Twitter\)](#)

Search #HAF2025 on our channels to find future posts.

### Social post suggestions

Facebook and Instagram	Image
<p>#HAF2025   HAF fun this Easter! 🐰</p> <p>If your child is aged 5-16 years and eligible for a funded place on the HAF programme, their school will issue a letter with a HAF code.</p> <ul style="list-style-type: none"><li>✅ Booking opens on Monday 10 March at 4pm.</li><li>✅ Activities run from Monday 14 April until Friday 25 April 2025.</li><li>✅ Quote your HAF code to get a free place</li></ul> <p>The perfect opportunity to meet new friends, enjoy healthy meals and have lots of fun this Easter 🐰</p> <p>If your child is not eligible for a free place but would like to attend, get in touch. Many of our providers offer paid places too!</p>	 <p><b>HAF fun this Easter</b></p> <p>Holiday Activities and Food funded for children and young people aged 5-16 who get free school meals*. Paid places also available.</p> <p><a href="https://www.staffordshire.gov.uk/holidayactivities">visit staffordshire.gov.uk/holidayactivities</a></p>

### Digital advertising screens (attached with email)

Digital advertising screens can be displayed on TV screens.

The screens are attached to the email and it would be great if you could start advertising this week until the end of the Easter holidays.

### Posters to print (attached with email)

I have also attached some print-ready posters if you are able to display these where appropriate.

If you have any questions, please email [danielle.taylor2@staffordshire.gov.uk](mailto:danielle.taylor2@staffordshire.gov.uk)

Thank you!
