

FRIDAY 17TH OCTOBER 2025

NEWSLETTER

MOSLEY 4 RS AND VALUES

As a reminder, our Mosley R's are:

- ready
- respectful
- responsible
- restorative.

Please support school with talking to your child about these at home too.

Our school values are:

- Kindness
- Acceptance
- Independence
- Honesty
- Resilience and last but certainly not least, happiness!

WELCOME!

On Thursday 23rd October we will be celebrating our Harvest Festival in school.

Reception & KS1 will be at 9am and KS2 will be celebrating at 2pm.

Donations are welcome from Monday to Thursday, please bring in tinned produce, packets, and toiletries. All donations will go to HOPE.

The children will finish on Thursday 23rd for half term at normal time, as Friday 24th is an inset day and is closed to all pupils.

Congratulations to two of our pupils who have taken part in a tennis competition last weekend at their club.
Jude - Winner under 8's
Finlay - Winner under 9's
Doubles Winners under 9's playing together

We are very proud of you, boys!

Mrs Eggleston will be retiring at the end of this half term after 30 plus years in teaching! We would not only like to thank Mrs Eggleston for all that she has done at Mosley for the past 7 years but for her dedication to the teaching profession! Enjoy lots of time spent in your garden and on holiday Mrs Eggleston and don't forget to come back and see us with your sun tan!

We'd like to share that Miss Luce will be reducing her working days to Monday through to Thursday from October half term onwards. This change will allow her to spend more precious time with her young daughter during these important early years.

We're delighted to welcome Lucy Scott, who will be covering the class on Fridays. Lucy is excited to join the team and continue the fantastic work happening in the classroom. Lucy has covered a few classes last year and the children and staff all enjoyed working with her.

We wish Miss Luce all the best with her new balance of work and family life, and extend a warm welcome to Mrs Scott!

Thank you for all submissions for the "Where can you see Maths in Nature" JTMAT competition. We will keep you posted with how we do!

INSET DAY
Friday 24th October, school closed to all pupils.

ATTENDANCE THIS WEEK

Reception 98.1%
Year 1 -98.2%
Year 2 -98.4%
Year 3 -97.7%
Year 4 95%
Year 5 -98.1%
Year 6 -97.3%

Attendance awards

Every week, we celebrate the winning class for the highest attendance. You can see the results each week on the newsletter. The winning class is announced in class by Mrs Taylor each week on a Friday and get to enjoy 5 minutes extra playtime. We also now have a lovely Helpful bear kindly donated by the Staffordshire Little Heroes campaign. Helpful bear will also stay with the winning class each week and enjoy a week of learning in the class with the highest attendance!

Congratulations to Year 2 with 98.4% attendance!

This week's stars are:

Reception - Alfie
Year 1 -Annabelle
Year 2 - Gustav
Year 3 -Darcy M
Year 4 - Harrison
Year 5 - Alfie G
Year 6 -Noel

Well done to you all!

InclusiveKidsClubs
Explore, learn, grow

We are so excited to be offering the following clubs!

**All prices and dates
are on our booking
system**

Tag Rugby
3D Design & Printing
Awesome Artists
Creative Crafts

InclusiveKidsClubs

@InclusiveKidsClubs

www.inclusivekidsclubs.co.uk

Tag Rugby

Get ready to run, pass, and score in our action-packed Tag Rugby After School Club! Designed for primary school children of all abilities, this fun, non-contact rugby session helps kids develop key skills like teamwork, agility, and confidence – all through exciting games and challenges. Whether they're new to the sport or already rugby fans, every child is welcome to join, stay active, and have a great time!

3D Design & Printing

3D Printing and Design is an exciting, hands-on club where children will explore the world of 3D design and technology! Using state-of-the-art software, they'll learn how to create their own digital models and test their ideas in a fun and interactive way. Along the journey, children will discover how a 3D printer works and get to see their designs come to life. Each child will have the chance to 3D print one of their creations and take home unique keepsakes made during the club. It's the perfect blend of creativity, design, and cutting-edge tech!

Awesome Artists

Awesome Artists is a fun and inspiring after-school club where children can explore a wide range of art styles and techniques. Each week, we'll get creative with sketching, painting, watercolours, and collage, using different materials to bring our ideas to life. We'll also learn about famous artists from around the world—past and present—to inspire our own masterpieces. Whether your child loves to draw, paint, or experiment with new styles, Awesome Artists is the perfect place to express creativity, build confidence, and have fun through art!

Creative Crafts

Creative Crafts is a hands-on, imaginative after-school club where children can enjoy making a brand-new craft each week! From ornaments and decorations to toys and keepsakes, we'll use a wide variety of materials to bring our creations to life. Each session is designed to spark creativity, develop fine motor skills, and encourage children to express themselves through fun, engaging projects. Whether it's cutting, gluing, painting, or building—there's always something exciting to make at Creative Crafts!

To book: Scan the QR code or visit us at our website

Booking is deemed acceptance of our Terms & Conditions. Available on our website and booking system.

Minecraft Child Safety Settings

Minecraft itself doesn't have a big built-in "parental control" menu but depending on how your child plays (Java Edition, Bedrock/Windows, or console), you can manage what they can do through a mix of Microsoft account family settings, platform parental controls, and server/world settings.

Bedrock Edition (Windows, iOS, Android, Xbox, PlayStation, Switch)

- **Microsoft Family Safety**
 - Log into your child's Microsoft account via family.microsoft.com.
 - You can set:
 - Screen time limits.
 - Spending limits (requires adult approval for purchases).
 - Restrictions on joining multiplayer/Realms.
 - Restrictions on adding friends.
- **Xbox/Console Parental Controls**
 - Each console (Xbox, PlayStation, Switch) has its own parental settings that allow you to:
 - Restrict online play.
 - Control voice/text chat.
 - Block joining servers or Realms.
 - Limit age-rated content.

Java Edition (PC/Mac)

Java doesn't have built-in parental settings, so you'll need to manage through:

- **Server settings:** If your child plays on your own hosted server, you can whitelist who's allowed to join, disable chat, or use plugins/mods to filter messages.
- **Launcher account:** Java Edition is tied to a Microsoft account now, so you can still apply Microsoft Family Safety rules (e.g. screen time, purchase approval).
- **Chat reporting:** Mojang added reporting and chat filters—strong language and personal info can be filtered automatically if enabled in account settings.

General Safety Options

- **Mute Chat / Toggle Chat** (both editions): You can turn chat off in settings to stop interaction with strangers.
- **Realms vs Servers:** Realms are invite-only (safer). Public servers often have less control over content and players.
- **Resource Packs / Add-ons:** Keep an eye on downloads; use only trusted sources (Marketplace or well-known modding sites).
- **Play Together Locally:** On consoles or LAN, kids can play with just friends/family without internet strangers.

ROBLOX Child Safety Settings

To set up parental controls on Roblox and ensure your child has a safe and age-appropriate experience, follow these steps:

Step 1: Link Your Parent Account

1. Log into your child's Roblox account (Has to be a child's D.O.B).
2. Navigate to **Settings** (gear icon).
3. Select **Parental Controls**.
4. Click **Add Parent Account**.
5. Follow the prompts to create or link your parent account.

Step 2: Set Up Parental Controls

Once your parent account is linked, you can manage various settings:

1. Communication Settings

- Go to **Parental Controls > Communication**.
- Adjust who can chat with your child in experiences and via direct messages. Options include:
 - **Everyone**
 - **Friends**
 - **No one**
- For users under 13, default settings are more restrictive.

2. Content Restrictions

- Navigate to **Parental Controls > Content Restrictions**.
- Set the **Content Maturity** level appropriate for your child:
 - **Minimal**
 - **Mild**
 - **Moderate**
 - **Restricted**
- You can also block specific experiences by adding them to the **Blocked Experiences** list.

3. Friends Management

- In **Parental Controls**, scroll to **Friends** and select **Manage**.
- View your child's friends list, and block or report users as necessary.

4. Spending Controls

- Under **Parental Controls**, go to **Spending Restrictions**.
- Set a monthly spending limit for Robux and subscriptions.
- Choose to receive notifications for every transaction or only for high spending thresholds.

5. Screen Time Management

- Access **Parental Controls > Screen Time**.
- Set daily time limits for your child's Roblox usage.
- View the top 20 experiences your child has played in the past week.

★ **Could you design a Christmas card to be printed and used by the Trust?**

★ **ENTER JTMAT'S CHRISTMAS CARD COMPETITION**

WHAT YOU COULD WIN!

Win a printed copy of your Christmas card, a certificate and a voucher to spend on art supplies. One winner from a JTMAT primary school, and one winner from a JTMAT secondary school.

COMPETITION RULES

1. This competition is open to all children attending any JTMAT school.
2. The design should be based on your own imagination/idea.
3. Your design should be completed on one side of a white piece of A4 paper or card.
4. Please ensure the design is flat and text free. ie. with no writing, no cotton wool or 3D objects as this can cause issues with scanning designs for printing.
5. Posters must be submitted to your Headteacher by Monday 10th November. Late entries unfortunately cannot be accepted.

*"We believe in the power of education to improve lives -
and the world."*
