

FRIDAY 8TH MAY 2026

NEWSLETTER

David Attenborough Celebrates 100 Years! Wow!!

What a fab day in school with so much creative and scientifically inspired learning taking place!

This morning, our pupils from Year 1 to Year 6, took part in a local walk to support and care for our nearby woodland area through a litter-picking activity. While we were pleased to find very little litter, this sparked an important discussion among the children about how our community is doing its part to protect wildlife habitats and preserve our natural surroundings.

The walk itself was a wonderful opportunity for the children to slow down, observe, and truly appreciate nature—much like a young David Attenborough in the making! From listening to birdsong to noticing the small details around them, the experience encouraged curiosity, respect, and a deeper connection with the environment.

We would like to extend a huge thank you to all of the staff and parent volunteers who supported this activity and helped make it such a positive and meaningful experience for everyone involved. Your support allowed our children to learn beyond the classroom and take pride in caring for their local environment.

Well done to all our children for representing our school so wonderfully! And a big well done to our local residents for helping to keep Anslow as litter-free as possible—your care for the environment makes a real difference to our shared community.

Happy Birthday to David Attenborough - we hope that through David's incredible work and education about our planet that he has inspired you to do your bit to look after our very special and important planet. We'd love to hear from anyone who would like to come and talk to the children about their career in helping to make the world a more sustainable and cleaner place.

Interim SENDCo

Congratulations to Mrs Baxter for securing the role of interim SENDCo to cover Mrs Kirkman's maternity leave.

Following a lengthy interview process with a school governor and Mrs Rowe, Mrs Baxter secured the role. Mrs Baxter has been preparing for the role ahead of Mrs Kirkman's maternity leave getting to know the SEND and Inclusion systems and processes in school, understanding the needs of the children and beginning to get to know some of our newer families.

Mrs Baxter has taught across the Primary phase both at Mosley and in another primary before coming to Mosley over 6 years ago. Mrs Baxter started her National Professional Qualification in SEND at the beginning of the school year so is well on her way to completion.

We are sure that you will all support Mrs Baxter in her new role. Congratulations again Mrs Baxter!

Mrs Kirkman is planning to begin her maternity leave just after half term, when Mr Deakin will take over the current year 3 class until the end for this academic year.

GOOD LUCK IN YOUR SATS

We know you are amazing
And you will try your best.
Although it seems important,
Know that it's just a test!
It doesn't measure anything
That tells us who you are,
like humour, love and friendship
Or that you are a star!
So have a go, do what you can.
See what you can do.
Know no matter the results,
We're always proud of you!

Good Luck Year 6!!

Next week is SATs week and we would like to wish all of our Year 6 children a positive and successful week.

Please come to school from 8.15am as we have pancake breakfasts for you every morning of SAT's week to set you up for the day!

Please try and get an early night and come to school refreshed and ready to do your best, that is all that we ask!

Debts Reminder on MCAS

All morning and after school wrap around payments due by half term at the very latest please.

Friday 15th May
