Dear Parents and Carers,

CONSULTATION BY JOHN TAYLOR MULTI ACADEMY TRUST

PROPOSED ADMISSION ARRANGEMENTS ACADEMIC YEAR 2020/21 – THE MOSLEY ACADEMY

The John Taylor Multi Academy Trust (JTMAT) wishes to hear your views on its proposed admission arrangements for The Mosley Academy.

We would like to draw your attention to the following areas of proposed change to those arrangements that were previously determined by the Governing Body of The Mosley Academy.

Proposal to alter the catchment area to exclude areas of new development to the eastern side of its existing catchment area which includes developments on Red House Farm and Beamhill Road. (see Map 1).

These proposed changes, if approved, would become operational from September 2020. This change is proposed as governors wish to ensure that the catchment area reflects the traditional areas from which its pupils have been drawn and for whom its current buildings can accommodate.

Allowing the catchment area to grow to accommodate new housing developments would lead to significant oversubscription within the catchment area leading to disappointment and possible unfairness for families moving into these areas.

This proposal in no way limits a parent's opportunity to express a preference for the Mosley Academy but does ensure that the admission arrangements are transparent and offer clarity to applicants seeking admission.

Your opinions are important and we are keen to receive comment on the proposals before a decision is taken.

This consultation will run until 10th January 2019.

Please send your views no later than the above date to:
