Anti-Bullying Week at The Mosley Academy

This week, children have been taking part in activities to mark Anti-Bullying Week, reinforcing our commitment to creating a kind, inclusive and respectful school community.

Throughout the week, pupils have explored what bullying is, how it can affect others and the importance of speaking up if they are worried about themselves or a friend. Through class discussions, assemblies and PSHE activities, children have focused on the values of kindness, respect and empathy, learning that even small acts of kindness can make a big difference.

At Mosley, we promote a culture where everyone feels safe, valued and able to be themselves. We encourage children to celebrate differences, build positive friendships and have the confidence to use their voice when something is not right.

We are proud of the mature and thoughtful way our pupils have engaged with Anti-Bullying Week and the commitment they show every day to making Mosley a place where everyone belongs. Together, we can continue to ensure that our school remains a happy, supportive and welcoming environment for all. 💙

Welcome to our new Parent Governors!

It was an absolute pleasure to welcome our two new parent governors to the local governing body team this week. Mr Ed Clamp and Mrs Kelly Haaker, a very warm welcome to you !

Thank you for your support, kind words and enthusiasm to help our school continue to be the best we can be for everyone! Earlier in the year, we also welcomed our new co - opted Governor, Amy Clamp, a former parent and pupil of the school to the team !

It is exciting to welcome such motivated, positive and committed people to the LGB.

OPAL Reminder: Ready for Outdoor Play

Our children love making the most of our OPAL play opportunities, whatever the weather! If your child would like to access the field and muddy play areas during lunchtime, please ensure they bring a pair of wellies to school if not already done so. They are also welcome to bring in waterproof clothing to school to change in to over the top of uniform.

Having the correct clothing means children can fully enjoy outdoor play throughout the year while staying comfortable and safe. Wellies and waterproofs can be left in school and named clearly to help us return them if misplaced.

Thank you for your support in helping us provide rich, active and adventurous play experiences for all children. 🌧️👢🍂🌳

Prospective Parent Tours and Admissions

Do you know a family looking for a school place for their child? We would be delighted to welcome them to The Mosley Academy.

We are offering tours for prospective parents who would like to see our wonderful school in action, meet our staff and learn more about our curriculum, values and extensive enrichment opportunities.

Tours provide an excellent opportunity to experience the warm, nurturing environment that makes Mosley such a special place to be. We are so proud of our school.

To arrange a visit, parents can contact the school office by telephone or email, and we will be happy to book you on a school tour.

For Reception starters, applications should be made through Staffordshire County Council's online admissions process. Families seeking an in-year transfer should contact the school office in the first instance to discuss availability and the application process.

Police cadets

Thanks to PCSO Georgie Grocott for delivering the first session of Police Cadets to the year 6 this week.

There is so much to learn about the police and everything they do to keep us safe, and more importantly all we can do as individuals to be responsible, respectful and kind in our world!

Online Safety

As technology continues to play a bigger role in children's lives, it is important that we work together to help keep them safe online. We encourage all parents and carers to take a few moments to review the parental controls available on the devices, apps and games their children use.
A fantastic source of advice and guidance is Internet Matters, which provides clear, practical information on setting up parental controls, managing screen time and helping children navigate the online world safely. You can access their parental controls hub here:

🔗 Internet Matters Parental Controls:
https://www.internetmatters.org/parental-controls/

We would also like to remind families about the importance of checking the age ratings of apps, games and social media platforms. Age ratings are there to help parents make informed decisions about what content is suitable for their child. Many popular apps and games contain features such as online chat, user-generated content or in-game purchases that may not be appropriate for younger children, exposing them to content that can cause them emotional harm and affect their mental health.
Please take time to check the age ratings of any apps, games or social media platforms your child uses and ensure that privacy settings are enabled wherever possible. By staying informed and maintaining open conversations about online activity, we can help children enjoy the benefits of technology safely and responsibly.
Thank you for your continued support in keeping our children safe both in school and online.

KS2 Christmas Carol Concert

On Thursday 17th December at 9 am and 5pm we have our Christmas carol concert KS2 only- please choose either the morning or the evening concert to ensure that we can fit everyone in -max of 2 spaces per child- younger siblings for the evening performance included in the 2 persons due to space.
This will be available to book on MCAS next week.

RSPCA Collection

Millie (year 2) is on her charity quest again this year.
She absolutely loved collecting for Burton Hope last year she has asked if she could collect again - this time for the RSPCA.
Please support her, scan the QR code on the poster.
We are very proud of you, Millie!

Dear parents,

This week, a small number of incidents involving interactions with staff have left us disappointed. Our teachers and support staff work incredibly hard to provide the very best education, care and support for every child, often going above and beyond their role. We therefore ask all parents and visitors to treat staff with courtesy and respect at all times. We are always happy to discuss issues and work with families to find solutions, but we cannot accept confrontational or disrespectful behaviour towards any member of staff.

We would also like to remind parents of the importance of working in partnership with the school when concerns are raised about a child's behaviour. While we recognise that it can sometimes be difficult to hear that your child has made poor choices, it is disappointing when responsibility is not acknowledged or when staff are challenged simply for reporting incidents. Our priority is always to help children learn from mistakes, develop positive behaviours and make better choices in the future. This is most successful when home and school work together with honesty, mutual respect and a shared commitment to supporting every child's development.

If you would like to speak with a member of staff at the end of the day, please can we remind you to wait until all of the children have been dismissed by the class teacher, before speaking with them so as they can give you their full attention and ensure they can fully concentrate on dismissing their class.

Thank you for you continued support in helping us maintain a positive, respectful and caring school community.
