

The Mosley Academy Attendance Procedure

These are the Attendance Procedures for The Mosley Academy and should be read in conjunction with the JTMAT Attendance Policy which can be located at:

Introduction:

At The Mosley Academy we believe that children can only learn effectively if they attend school regularly. It is important too, that children arrive and leave school on time. It is equally important that children should not be at school if they are unwell.

The Mosley Academy is a happy school. Our school ethos reflects our belief that children learn best in an encouraging and happy atmosphere. Every member of the school staff shows concern and care about each child's welfare.

As attendance is crucial to effective learning and the continuity of learning experiences, school places great emphasis on this in its communication with parents.

Children should be at school, on time, every day that the school is open, unless the reason for the absence is unavoidable.

Permitting absence from school without a good reason is an offence by the parent.

All children are reluctant to attend school from time to time.

Any problems with regular attendance are best sorted out between the school, the parents and the child.

If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending.

This gives the impression that attendance does not matter and may make things worse.

The Mosley Academy will always strive to promote good attendance through all its work and communications.

The Schools' Attendance Target for the academic year 2021-22 is 98%

Pupil Absences:

Parents are asked to telephone the school on the first day of absence before 8.50 a.m. to inform the school that their child will not be attending.

Parents must give reasons for the absence and an indication of when a child might be expected to return to school.

A log of the telephone call must be made by the member of staff and passed to the office staff. The member of staff taking the message should then inform the relevant class teacher.

Written confirmation for reasons of absence may also be requested (but not mandatory if telephone notifications are logged).

- When a child is absent from school but no notification has been received, every effort will be made to contact the parents to establish the child's location and reason for nonattendance

All children should be on the school site by **08:50**. Should a child arrive late to school; their parents / carers must sign them in at the school office / main reception.

Should a pupil have an appointment during the school day, they are to sign out at the school office / main reception.

The responsible adult collecting the pupil should present themselves to the school's main reception.

Documentation validating the date and time of the appointment should be provided.

Monitoring of Absence Levels and Unauthorised Absence:

Mrs Sarah Rowe has responsibility for attendance at The Mosley Academy.

To ensure that each pupil has the best opportunity to succeed, all JTMAT schools will monitor and respond high levels of absence from school.

At frequent intervals, the JTMAT Attendance Intervention Manager will review the pupils whose attendance level is less than that of the school's attendance target.

Letters may be issued to parents to inform them of their child's high level of absence.

The Attendance Intervention Manager will support pupils whose attendance gives cause for concern.

Where there is persistent unauthorised absence then the JTMAT Attendance Intervention Manager will provide appropriate records to the Local Authority for them to fulfil their statutory functions should their threshold be met.

The Local Authority has the decision on which, if any, response will be issued. A response may include Fixed Penalty Notices.

Further details of this can be found here; [Attendance Policy \(jtm.co.uk\)](http://jtm.co.uk)
