### **Prevent Statement**

The Mosley Academy is fully committed to safeguarding and promoting the welfare of all its pupils. As a school we recognise that safeguarding against radicalisation is no different from safeguarding against any other vulnerability.

All staff and visitors are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty and mutual respect, and mutual respect for and tolerance of those with different faiths and beliefs, and for those without faith.

In formulating this statement the Governing Body have taken account of the guidance from the Department for Education (DfE) who have called for all public bodies to make explicit their preventative measures to minimise the threat of extremism in their setting.
