OPAL News

The children have discovered a love of den making this week at playtimes, with all sorts of fabulous creations springing up! If anyone has any old bedsheets, washing pegs, or large cardboard boxes that are no longer needed, they would be warmly welcomed. Thank you.

Science and Sporting Success!

Congratulations to our Y5 team who attended the JTMAT Science Quiz at John Taylor High School and emerged as the winners! Fantastic teamwork on display - well done to you all.

Huge congratulations must also go to our children who attended the indoor canoeing events this week, winning medals aplenty and showing sportsmanship, resilience and kindness in abundance. Well done to you all - we are very proud of you.

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

HOPE Peer Support

Here for Parents

Being a parent can be challenging especially when our children are struggling with their emotional well-being. We think we're getting it wrong, feel alone and have nowhere to turn.

If your child or young person is struggling with anxiety, low mood or depression, stress or overwhelming emotions, it can be really hard to get the support you need as a parent.

Could you benefit from speaking to another parent who has gone through a similar experience?

A HOPE Parent Friend can offer you a confidential weekly call, video call or email and will listen with empathy, understanding and without judgement.

Our HOPE parent friends are vetted, trained and fully supervised volunteers
