

DONALDSON CLASS NEWS

Week ending: 6th September 2024

This week's learning:

This week has been full of lots of information!

The children have started to learn some of the routines they will participate in every day and have been introduced to Green cards, house points and the Mosley four Rs.

Green cards are given out for something super and every 20 = a certificate. They are also equal to a house point, which are counted up as a whole school by year 6 house captains - get asking your child what team they are in! 😊

Reminders & dates:

- PE will be on Mondays, please send your child in their PE kit with their hair up and earrings removed. Please continue sending in your child's bookbag, they will soon have books in them to bring home.
- Thank you for sending in your child's bottle and healthy snacks. Please continue to do so 😊 making sure they are named.
- Tapestry should be up and running next week, thank you for your completed forms.

Ways to help at home:

This box will be filled with different ways to help your child at home.

But first of all, please try/encourage your child to recognise their own name - this will help them with finding their peg every morning and their tray.

Thank you.

Next week:

- Phonics will be starting with a focus on s, a, t, p.
- We will be starting to look at our pencil grip, ready for our letter formation.
- Maths will start, with a focus on 1, 2 and 3.
